

WilcoHR Awarded For Elevating Human Resources, Improving Workplaces

Williamson County, Texas, May 16, 2023 — SHRM recently awarded WilcoHR its prestigious EXCEL Platinum Award for the chapter's accomplishments in 2022.

The EXCEL award is given to state councils and chapters to recognize major accomplishments, strategic activities, and tactical initiatives that elevate the profession of human resources.

“SHRM’s impact on the world of work is due to the dedication and efforts of our chapters and state councils like WilcoHR. “The Platinum EXCEL Award is not only a celebration of the great work done by WilcoHR—it’s also recognition of their focus and determination to cause the effect to make great workplaces”, said Johnny C. Taylor, Jr., SHRM-SCP, president, and chief executive officer of SHRM. “Their HR leadership is exemplary.”

The EXCEL Award can be earned at four levels: bronze, silver, gold and platinum. Each level has a prescribed set of requirements and accomplishments that must be met. WilcoHR will receive recognition in SHRM publications and at conferences, a logo to display on its website, and information to share with its members about the significance of this award.

WilcoHR’s purpose is to support, develop, and engage local HR professionals and develop HR leaders. In 2022 WilcoHR achieved this through the following initiatives: reaching out to the local community through chamber’s of commerce as well as other business networking events to promote the chapter’s resources as well as the resources offered through SHRM; increasing their annual donation to the SHRM Foundation without increasing expenses for the chapter; increasing WilcoHR’s presence in the community through outreach and service projects; creating a cohesive brand for their chapter through revamping their website, logo and brand; and moving to a hybrid meeting schedule, meeting in person quarterly and virtually in other months.
